USA Registered. USCGC Acushnet was originally built as a U.S. Navy diver-class rescue and salvage ship, then served as a coast guard cutter for a long career. Always well maintained and substantially upgraded before her 2011 retirement.

All engines ready to fire up. Opportunity for hundreds of ocean related industrial uses such as FEMA response ship or world class patrol boat. Big commercial galley, walk in freezers, water makers, hospital, theater, 48 berths, 13 heads and showers, laundry, 2 deck cranes and two Zodiac Hurricanes with diesel outdrives for tender vessels.

Lots of extra tools and machinery included.

Description

Bidding Details

Bidding History

Updated Attachments 6/25/2020 One lot of 16 Equitable Seabee Barges, models: LY-901, LY-803, LY-216, LY-209, LY-199, LY-186, LY-156, LY-146, LY-132, LY-30, LY- 127, LY-125, LY-102, LY-98, LY-81, LY-79. Vessels are constructed with all welded steel, straight double skin sides, a boxed bow, stern, a flat bottom, a flush deck and a single cargo hold with hatch coaming and covers. The barges were built to rules of the American Bureau of Shipping (ABS). The barge does not have any polychlorinated biphenyls or asbestos, but does contain lead paint. Please see attached survey document. It is strongly recommended that bidder inspects and survey barges prior to bid. Please contact Jeff Siragusa at (707) 747-7840 to schedule inspection. Inspections are only available Monday-Friday, 7:30AM to 4:30PM. All bidders are required to have temperature checked on site, Govt. issued ID, and wear a mask to enter location. If no mask, one will be provided. Condition is used, parts may be missing, and repairs are required. The successful bidder will be required to remove all barges at the National Defense Reserve Fleet in Benicia, CA within forty-five (45) days of the close of the auction. This supersedes the existing terms and condition of the 10 day removal time frame.**The winning bidder must comply with all regulations established by CA State Law as listed on <http://www.dbw.ca.gov/>. Winning bidder is responsible to send Lead Paint Statement of Intent within 24 hours to: janessa.bedell@gsa.gov or fax to 202-692-3222, Award will not be made until form is received.**

Description Reviews (0) Product Enquiry

Description

BUY 40FT X 8FT USED SHIPPING CONTAINER FLAT RACK

This 40ft used flat rack container is available for sale and delivery USA-wide.

Available in 20ft and 40ft flat rack containers are ideal for large and heavy loads which cannot be loaded into a conventional container. There are no sides at all on a flat rack container and the ends can be either fixed or collapsible.

The benefit of the collapsible design is that empty containers can be stacked to take up less space.

The unit includes lashing rings in the side rails, floors and corner posts to allow the cargo to be secured and tied down. Units are available with and without forklift pockets.

PRODUCT SPECIFICATIONS

External Length (m)	12.19
External Width (m)	2.44
External Height (m)	2.59
Internal Length (m)	11.65
Internal Width (m)	2.22
Weight (kg)	4950
Floor Type	28mm Marine Ply

FEATURES

- No side walls
- Lashing rings for securing load
